(d) The Government has decided to intervene directly by providing upto 20 million Kgs. of hank yarn at a subsidy of Rs. 15 per kg. at an oat-lay of Rs. 30 crores, to the handloom weavers, through Handloom Agenci- ′es. Besides, the Government hss also l introduced an arrangement for the sup- ply of 75,000 bales of cotton by the Cotton Corporation of India to spinning mills in the State/Cooperative Sector, who ′ in turn; would supply hank yarn to hand-loom weavers at reduced prices. In addition, the Indian Cotton Mills Federation has also been persuaded to supply some hank yarn at reduce prices. The above measures, which make avait-able a total' of 40 million kgs. of bank. i yarn over a period of five month representing thereby a market intervention of the order of about 20 per cent to ! handloom weavers at less than marke* prices, have been taken with a view to ensure availiablity of hank yam it res- \ sonable prices *to* handloom weavers. In view of the steps already taken and the i desired impact they have had on the market forces, the proposal for levying cess on cotton yarn exports is net being pursued.
